

2023 was our busiest year in recorded history, but thanks to the generosity of our community, we pulled through all the challenges and were able to serve over 40,000 hot meals! We would have not been able to do this without our hard-working volunteers; our dedicated board members; and the generous individuals, businesses, churches, and organizations that supported us with monetary and in-kind donations. Thank you to everyone who makes HSK a success!

Despite our record numbers last year, 2024 is on track to be even busier! During this year's first quarter, we served 11,772 hot meals, which is almost 2,000 more meals compared to 2023's first quarter.

Pat gearing up to serve a record number of salads!

Thanks to our sponsors, we sometimes give out more than a meal. Several organizations donated toys and baskets for the kids during Christmas and Easter.
